

You are receiving this email in response to your request for a shipping kit from Fertility Laboratories of Colorado. Please print this form, complete the information and FAX to **720-895-8298**.

Please confirm your shipping address by providing the following information: EXACT name, full address and phone number.

Name: _____

Address: _____

City, State, Zip _____

Country: _____

Phone: _____ Email: _____

Different tests require different types of packaging. Please indicate what tests you are having drawn:

The cost of pre-paid Fed Ex shipping of the kit is \$110 for **domestic shipping** using FedEx standard 2-day service to you and Priority Overnight service for return. Upgraded domestic shipping using overnight delivery both ways is available for \$140.

One way **international shipping** is available at the rate stated below for **outgoing delivery to you only**. Additional fees and charges incurred apply and will be billed to you once they are posted to our FedEx account. International patients are responsible for arranging return shipment and also for any associated fees. The kit containing samples **MUST** be returned to us via overnight delivery.

Please indicate your shipping preference below:

- _____ Standard domestic (2-day) out/Priority Overnight return (\$110.00)
- _____ Upgraded domestic Overnight out/Priority Overnight return (\$140.00). **Does not include Saturday delivery!!**
- _____ Upgraded domestic **SATURDAY** Overnight out/Priority Overnight return (\$155.00)
- _____ International shipment-available for outgoing delivery to patient only. (\$125.00 standard charge plus any applicable additional fees.)
- _____ One-way return to FLC (\$70 when picked up by patient and returned via FedEx Priority Overnight).

Credit Card Number: _____ Exp. Date: _____

Payment may be made by Visa, MasterCard, or Discover. **We DO NOT accept AMERICAN EXPRESS.** Payment information can be provided via e-mail or by contacting the clinical lab at 303-781-2036, option 0. Your card will be charged at the time your kit is shipped.

Please be aware that once the kit is shipped to you, you are responsible for its return to us, regardless of whether you do or do not use it. If you find you have no need for the kit, please return it to us. Unreturned kits beyond 3 months from the outgoing date will result in an additional charge of \$50 to you.

Thank you.
